

Academic Personnel **News**

Fall Issue, 2025

This is an electronic newsletter published online by the Department of Academic Personnel Administration to announce faculty academic administrative appointments effective April 8, 2025, unless otherwise specified, as well as new faculty members who have joined us or received joint appointments since April 8, 2025, and before September 30, 2025. This issue also features selected awards and honors received by faculty in recognition of their outstanding achievements in their respective fields over the past year. We extend our warmest welcome to colleagues newly on board and congratulate those who have received appointments. (Names under each section are listed alphabetically by the initial letter of the last name.)
